2012 CONFERENCES

## National Conference

Normal, IL | March 16-17, 2012

## Western Conference

Colorado Springs, CO | October 12-13, 2012

## North Central Conference

Rochester, MN | November 9-10, 2012

I wish she would sleep through the night. I wish he could walk. I can't wait until she goes to school. I wish he could make a meal for himself. Oh, how I wish she could drive!

**I wish they were little again...**

**Every mom does it.**

**We focus on what's next instead of what's now.**

We get caught up in the chaos, instead of the beauty. We long for what we don't have, instead of seeing all that we do have. We wish for a season of life that will be here before we know it, instead of enjoying the unique stage of life we're in right now.

When it comes to motherhood, we have one shot. One moment in time. We can't go back and do it again.

What if we learned to live *in the MOMent*? What if we moved our eyes to the bigger picture and stopped sweating the small stuff? What if we focused on "being" more than "doing?" What if we laughed more and stressed out less?

Are you up for the challenge? Ready for a fresh perspective? Need your mom batteries recharged?

Grab some friends and come and learn to delight in an ordinary day. Slow down. Be refreshed. Live fully...in the beauty of the MOMent you are in.
