

The Go-To Place for Moms

Hearts at Home is pleased to offer a limited number of partial scholarships to women who would like to attend a conference but cannot afford the full registration fee. All scholarship requests are confidential. No distinctions are made at the conference between scholarship recipients and other attendees, nor are the scholarship recipients required to serve in any capacity at the conference. Scholarships are not available for Moms Night Out or the Friday Plus option.

General Information

We ask that you submit a minimum of 50% of the conference fee. If you are unable to pay this amount, please contact the Director of Registration at (309)828-MOMS for further assistance.

Funding for scholarships is made available through the contributions of other attendees via the Sponsor-a-Mom program. We are very grateful for the generosity of many women who make it possible for us to offer partial scholarships. However, the amount donated on an annual basis does not cover all the expenses incurred by the scholarship program. Hearts at Home tries diligently to keep registration fees at a reasonable level but is very aware that many women would not be able to attend without financial assistance. If paying the entire conference fee would prevent you from attending, we encourage you to apply for a scholarship.

Due to the limited amount of scholarships available, we cannot guarantee that every qualified applicant will receive financial assistance.

If we are able to approve your partial scholarship request, your canceled check or credit card statement will be your confirmation that your application has been approved and your registration has been processed.

Keeping hearts at home,

Kelly Stogner
